

Professional Services

It is a pleasure to communicate with you and propose a plan for you to obtain an interactive website. A magnificent price is offered to make the objective a reality and ensure you are truly satisfied with the work done.

The update and internet visualization (www) are 100% our responsibility to maintain the respective control of the website.

If you wish, you can see some of the works developed at:

Proposal for Website Development and Hosting for Your Tour Agency

Part 1: Website Development

According to our previous conversation, I propose the following agreement for the development of your website:

Website Development Includes:

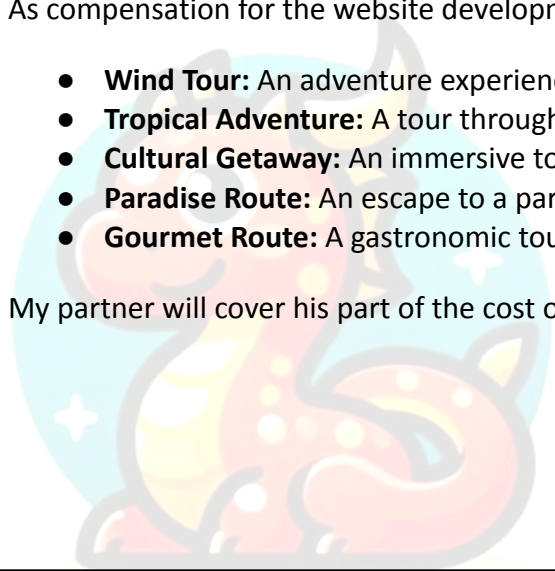

- Dominio.com
- Custom design and development of the website
- Implementation of HTTPS security protocol
- Representative images of your tour agency
- Integration of live chat with WhatsApp
- Functional contact form
- Social media links
- Customer testimonial section
- Inclusion of promotional videos
- Search Engine Optimization (SEO)
- Website storage on a web hosting service
- Creation of 5 subdomains for specific promotions
- Configuration of 5 private email accounts

Payment Method:

As compensation for the website development, I request the following tours to enjoy:

- **Wind Tour:** An adventure experience in nature.
- **Tropical Adventure:** A tour through the exotic landscapes of the region.
- **Cultural Getaway:** An immersive tour into local history and culture.
- **Paradise Route:** An escape to a paradisiacal destination.
- **Gourmet Route:** A gastronomic tour of the best local restaurants.

My partner will cover his part of the cost of the tours.

Part 2: Web Hosting

To ensure the continuous operation of the website, web hosting services are required. Payment details are as follows:

Domain (Annual):

- Cost: \$25 USD at the start of the service and once a year.
- A payment reminder will be sent 30 days before renewal to avoid domain loss.

Hosting (Monthly):

- Type of hosting: Shared
- Bandwidth: Unlimited
- Storage: 50 GB
- Cost: \$15 USD at the end of each month.
- Payment must be made through a PayPal account that will be provided. Note: The website will be unavailable if payment is not made on time.

Initial Total:

- **\$40 USD** to start the website development and hosting project.

Important Notes:

- **Initial Temporary Page:** At the start of the project, a temporary page will be activated on the domain to inform about the site's opening. Notification will be given when the site is ready for full viewing.
- **Initial Deposit and Contract:** To start the website development, an initial deposit of \$50 USD is required, covering the cost of web hosting. Additionally, this document must be signed in PDF format, accepting the terms of the service exchange.
- **Future Updates:** Subsequent updates to the website, such as text modifications, images, links, or other aspects, will be charged additionally based on the work required. These additional services will be billed as needed.
- **Development and Delivery:** The website will be available for your review before your trip to Mexico, hosted on a temporary domain for evaluation. The final website delivery will take place once the 5 authorized tours are completed. Upon completion, you will be provided with a folder containing all files used in the website development in ZIP format.
- **Agreement Confirmation:** To fully validate this quote, please provide your full name, identification number, and sign this document digitally or scan it.
- **Support and Maintenance:** One month of free technical support is included after the site's launch. After that, the cost will be \$10 USD per month.
- **Ownership and Rights:** All intellectual property rights of the website will be transferred to the client once full payment is completed.
- **Warranty:** The website's functionality is guaranteed for 3 months after delivery. Any technical issues during this period will be corrected at no additional cost.

Total Price (Including Gross Salary):

- \$900 USD
